Dear Parent, Guardian or Student:

On January 8, 2002, President Bush signed the new federal education act, titled *No Child Left Behind*. This new law includes many new programs and changes for all public schools in the United States.

The new laws permit you, as a parent or guardian, the right to request information about the licensure and other qualifications, teaching assignment, and training of your child's teacher and any paraprofessional (instructional assistants) who may work with your child at SIATech.

If you are interested in requesting this information, please contact Mr. Erik Bose, SIATech Principal, at 505-242-6640.

Sincerely,

Kelly S. Callahan  
Head Administrator
